ELIMINATION AND LABORATORY SERVICES**

This is to advise you that the Department of Public Health (DPH) is exercising its delegated authority, approved by your Board on December 13, 2005, authorizing the Director of Health Services, or his designee, to accept subsequent Notice of Cooperative Agreements (NCA) from the Centers for Disease Control and Prevention for Calendar Years 2006, 2007, 2008, and 2009, for Tuberculosis (TB) Elimination and Laboratory Services, subject to review and approval by County Counsel and the Chief Executive Office, and notification of the Board offices.

The NCA award in the amount of \$4,507,518 represents 90 percent of the anticipated 12-month budget for DPH's TB Control Program for the period of January 1, 2008 through December 31, 2008. All other terms, conditions, and restrictions remain unchanged and in full effect.

County Counsel and CEO have reviewed and approved the NCA as to form.
